TOURNAMENT AWARDS

Friday, July 15, after play. Net and Gross Stableford daily and 2-day payouts and KP'S for each day. Teams playing from Gold tees can only win net prizes. Teams playing from white tees can win gross or net prizes. But not both. KP's can win from either tee.

Tournament Handicaps

The Tournament Committee will be monitoring handicaps to ensure the integrity of play and provide an even playing field. While participating is always most important, the ability to compete is also taken seriously.

Entrants must have posted a minimum of six scores during 2022 to avoid potential handicap adjustment. The OGA has provided clubs with the ability to examine recent playing history to assist with equity of completion. Handicap manipulation may result in disqualification.

All players must have a USGA handicap. The maximum is 12 handicap difference between partners. Example: A 10 handicap is teamed up with a 25 handicap. The player with a 25 handicap is reduced to 22.

Following USGA recommendations we will use the handicap allowance of 85% for all players for the Best Ball on Thursday. The team handicap for the Chapman on Friday will be 60% of the low handicap and 40% of the high handicap. Handicap allowances are designed to provide equity for players of all levels of ability in each format of play.
