TOURNAMENT AWARDS

Saturday, July 13, after play. Net and Gross Stableford daily and 2-day payouts and KP'S for each day. Teams playing from White/Red tees can only win net prizes. Teams playing from Blue/White tees can win gross or net prizes, but not both. KP's can be from either tee.

Tournament Handicaps

The Tournament Committee will be monitoring handicaps to ensure the integrity of play and provide an even playing field. While participating is always most important, the ability to compete is also taken seriously. USGA rules will be enforced.

Entrants must have posted a minimum of six scores during 2024 to avoid potential handicap adjustment. The OGA has provided clubs with the ability to examine recent playing history to assist with equity of completion. Handicap manipulation may result in disqualification.

All players must have a USGA handicap. The maximum is 10 handicap index difference between partners. Example: A 10 handicap is teamed up with a 25 handicap. The player with a 25 handicap is reduced to 20. July 10th Handicap will be used.

Following USGA recommendations the team handicap for the Scramble on Friday will be 35% of the low handicap and 15% of the high handicap. Handicap allowances are designed to provide equity for players of all levels of ability in each format of play. We will use the handicap allowance of 85% for all players for the Best Ball on Saturday.
